2016 – 2017 Principal

May 13, 2016

Dear Parents, Staff, and Students of Centerville Elementary School,

It is with great honor that I write this letter of introduction to you as the newly appointed Principal of Centerville Elementary School. I feel fortunate to be appointed principal in the cluster where I have worked and had the pleasure of getting to know many students, parents, and staff for the past eleven years. I am looking forward to continuing my educational service in the Shiloh Cluster and partnering with the dedicated staff of Centerville Elementary School to provide the best possible educational program for our students. It is with that great sense of “Generals” pride that I accept the opportunity to carry on the work of such a wonderful learning community.

I have been dedicated to the field of education for more than twenty-one years working with students from elementary and middle grade levels. I spent the first ten years as a middle school math teacher in Louisiana. For the last 11 years I have served in the Shiloh Cluster at Partee Elementary School as a 2nd grade teacher, and currently as an assistant principal. The commonality in the two decades of experience has been the collaboration with others to provide the most outstanding education experiences for students and teachers.

My main goal is to ensure that every student is provided the highest quality of education possible in a safe and supportive learning environment. I am committed to helping each student achieve their very best by working together as a team with our staff and parents. It is our responsibility to recognize and nurture every student’s unlimited potential and encourage the pursuit of their academic aspirations.

In closing, it will be my honor to work with our students, families, and teachers at the **best school** in the **best cluster!** I look forward to meeting you and working with you to ensure the continued success of Centerville Elementary School because I am **ALL INspired, INvested, and INVolved!**

“Generals” pride is forever!

Sincerely,

Bonita B. Banks
